A. Except as provided in subsection E OF THIS SECTION, no person may perform the duties or exercise the authority of an election officer or of the clerk of the board of supervisors or the county recorder in performance of election duties in or on behalf of any county unless the person is the holder of an election officer's certificate issued by the secretary of state before January 1 of each general election year.

B. The secretary of state shall provide for the examination of applicants for election officer certificates. The secretary of state may not issue a certificate to a person who has not demonstrated to the

1 satisfaction of the secretary of state that the person is competent to  
2 perform the work of an election officer or of the clerk of the board of  
3 supervisors or the county recorder in the performance of election duties.

4 C. The secretary of state shall provide for election officer  
5 certification programs of which successful completion by a person attests  
6 to the attendance at, participation in and completion of a course of  
7 instruction in the technical, legal and administrative aspects of

9 D. On or before December 31 of each year of a general election, the  
10 secretary of state shall submit an election officer education, training  
11 and certification plan to ~~the election officer education, training and~~

15 expected education, training and certification activities of the coming  
16 two year period.

17 E. Subsection A OF THIS SECTION does not apply to elected

20 election officials in cities or towns.

21 F. For city and town employees who work on elections, if the city  
22 or town chooses to enroll the city or town employees in the certification

24 secretary of state for the costs of conducting the training. An election  
25 training fund is established consisting of monies received pursuant to  
26 this subsection. The secretary of state shall administer the fund.  
27 Monies in the fund are continuously appropriated and the secretary of  
28 state shall use monies in the fund to pay the costs of training officials  
29 from cities and towns pursuant to this subsection.

30 Sec. 4. Section 16-411, Arizona Revised Statutes, is amended to  
31 read:

32 16-411. Designation of election precincts and polling places;  
33 voting centers; electioneering; wait times

34 A. ~~Except as prescribed by subsection J of this section,~~ The board  
35 of supervisors of each county, on or before December 1 of each year  
36 preceding the year of a general election, by an order, shall establish a  
37 convenient number of election precincts in the county and define the  
38 boundaries of the precincts. The election precinct boundaries shall be so  
39 established as included within election districts prescribed by law for  
40 elected officers of the state and its political subdivisions including  
41 community college district precincts, except those elected officers  
42 provided for in titles 30 and 48.

43 B. Not less than twenty days before a general or primary election,  
44 and at least ten days before a special election, the board shall designate

1 one polling place within each precinct where the election shall be held,  
2 except that:

3 1. On a specific finding of the board, included in the order or  
4 resolution designating polling places pursuant to this subsection, that no  
5 suitable polling place is available within a precinct, a polling place for  
6 that precinct may be designated within an adjacent precinct.

7 2. Adjacent precincts may be combined if boundaries so established  
8 are included in election districts prescribed by law for state elected  
9 officials and political subdivisions including community college districts  
10 but not including elected officials prescribed by titles 30 and 48. The  
11 officer in charge of elections may also split a precinct for  
12 administrative purposes. The polling places shall be listed in separate  
13 sections of the order or resolution.

14 3. On a specific finding of the board that the number of persons  
15 who are listed as permanent early voters pursuant to section 16-544 is  
16 likely to substantially reduce the number of voters appearing at one or  
17 more specific polling places at that election, adjacent precincts may be  
18 consolidated by combining polling places and precinct boards for that  
19 election. The board of supervisors shall ensure that a reasonable and  
20 adequate number of polling places will be designated for that election.  
21 Any consolidated polling places shall be listed in separate sections of  
22 the order or resolution of the board.

23 4. On a specific resolution of the board, the board may authorize  
24 the use of voting centers in place of or in addition to specifically  
25 designated polling places. A voting center shall allow any voter in that  
26 county to receive the appropriate ballot for that voter on election day  
27 and lawfully cast the ballot. Voting centers may be established in  
28 coordination and consultation with the county recorder, at other county  
29 offices or at other locations in the county deemed appropriate.

30 C. If the board fails to designate the place for holding the  
31 election, or if it cannot be held at or about the place designated, the  
32 justice of the peace in the precinct, two days before the election, by an  
33 order, copies of which the justice of the peace shall immediately post in  
34 three public places in the precinct, shall designate the place within the  
35 precinct for holding the election. If there is no justice of the peace in  
36 the precinct, or if the justice of the peace fails to do so, the election  
37 board of the precinct shall designate and give notice of the place within  
38 the precinct of holding the election. For any election in which there are  
39 no candidates for elected office appearing on the ballot, the board may  
40 consolidate polling places and precinct boards and may consolidate the  
41 tabulation of results for that election if all of the following apply:

42 1. All affected voters are notified by mail of the change at least  
43 thirty-three days before the election.

1           2. Notice of the change in polling places includes notice of the  
2 new voting location, notice of the hours for voting on election day and  
3 notice of the telephone number to call for voter assistance.

4           3. All affected voters receive information on early voting that  
5 includes the application used to request an early voting ballot.

6           D. The board is not required to designate a polling place for  
7 special district mail ballot elections held pursuant to article 8.1 of  
8 this chapter, but the board may designate one or more sites for voters to  
9 deposit marked ballots until 7:00 p.m. on the day of the election.

10          E. Except as provided in subsection F of this section, a public  
11 school shall provide sufficient space for use as a polling place for any  
12 city, county or state election when requested by the officer in charge of  
13 elections.

14          F. The principal of the school may deny a request to provide space  
15 for use as a polling place for any city, county or state election if,  
16 within two weeks after a request has been made, the principal provides a  
17 written statement indicating a reason the election cannot be held in the  
18 school, including any of the following:

19           1. Space is not available at the school.

20           2. The safety or welfare of the children would be jeopardized.

21          G. The board shall make available to the public as a public record  
22 a list of the polling places for all precincts in which the election is to  
23 be held ~~including identification of polling place changes that were~~  
24 ~~submitted to the United States department of justice for approval.~~

25          H. Except in the case of an emergency, any facility that is used as  
26 a polling place on election day or that is used as an early voting site  
27 during the period of early voting shall allow persons to electioneer and  
28 engage in other political activity outside of the seventy-five foot limit  
29 prescribed by section 16-515 in public areas and parking lots used by  
30 voters. This subsection shall not be construed to permit the temporary or  
31 permanent construction of structures in public areas and parking lots or  
32 the blocking or other impairment of access to parking spaces for  
33 voters. The county recorder or other officer in charge of elections shall  
34 post on its website at least two weeks before election day a list of those  
35 polling places in which emergency conditions prevent electioneering and  
36 shall specify the reason the emergency designation was granted and the  
37 number of attempts that were made to find a polling place before granting  
38 an emergency designation. If the polling place is not on the website list  
39 of polling places with emergency designations, electioneering and other  
40 political activity shall be permitted outside of the seventy-five foot  
41 limit. If an emergency arises after the county recorder or other officer  
42 in charge of elections' initial website posting, the county recorder or  
43 other officer in charge of elections shall update the website as soon as  
44 is practicable to include any new polling places, shall highlight the  
45 polling place location on the website and shall specify the reason the

1 emergency designation was granted and the number of attempts that were  
2 made to find a polling place before granting an emergency designation.

3 I. For the purposes of this section, a county recorder or other  
4 officer in charge of elections shall designate a polling place as an  
5 emergency polling place and thus prohibit persons from electioneering and  
6 engaging in other political activity outside of the seventy-five foot  
7 limit prescribed by section 16-515 but inside the property of the facility  
8 that is hosting the polling place if any of the following occurs:

9 1. An act of God renders a previously set polling place as  
10 unusable.

11 2. A county recorder or other officer in charge of elections has  
12 exhausted all options and there are no suitable facilities in a precinct  
13 that are willing to be a polling place unless a facility can be given an  
14 emergency designation.

15 J. The secretary of state shall provide through the instructions  
16 and procedures manual adopted pursuant to section 16-452 the maximum  
17 allowable wait time for any election that is subject to section 16-204 and  
18 provide for a method to reduce voter wait time at the polls in the primary  
19 and general elections. The method shall consider at least all of the  
20 following for primary and general elections in each precinct:

21 1. The number of ballots voted in the prior primary and general  
22 elections.

23 2. The number of registered voters who voted early in the prior  
24 primary and general elections.

25 3. The number of registered voters and the number of registered  
26 voters who cast an early ballot for the current primary or general  
27 election.

28 4. The number of election board members and clerks and the number  
29 of rosters that will reduce voter wait time at the polls.

30 ~~K. The board of supervisors of a county shall not change precinct~~  
31 ~~times during the period after July 31, 2008 and before January 1, 2011.~~  
32 ~~The board of supervisors may subdivide an election precinct for~~  
33 ~~administrative purposes or may provide for more than one polling place~~  
34 ~~within the boundaries of the election precincts established for use in~~  
35 ~~voting in elections held after July 31, 2008 and before January 1, 2011.~~  
36 ~~In providing for multiple polling places within a precinct, the board of~~  
37 ~~supervisors shall consider the particular population characteristics of~~  
38 ~~each precinct in order to provide the voters the most reasonable access to~~  
39 ~~the polls possible.~~

23 ~~with the help America vote act of 2002 (P.L. 107-252),~~ Machines or devices  
24 used at any election for federal, state or county offices may only be

36 state.

37       D. The secretary of state may revoke the certification of any

25 state for a different method for processing early ballots. The request  
26 shall be made in writing at least ninety days before the election for  
27 which the procedure is intended to be used. After the election official  
28 has confirmed with the secretary of state that all election equipment  
29 passes the logic and accuracy test, the election official may begin to  
30 count early ballots. No early ballot results may be released except as  
31 prescribed by section 16-551.

32 B. The early election board shall check the voter's affidavit on  
33 the envelope containing the early ballot. If it is found to be

37 ballot ~~may~~, by written appointment addressed to the early election board,

42 be reached, the number of representatives shall be limited to one for each  
43 political party.

1       D. An early ballot may be challenged on any grounds set forth in  
2 section 16-591. All challenges shall be made in writing with a brief  
3 statement of the grounds ~~prior to~~ BEFORE the early ballot ~~being~~ IS placed  
4 in the ballot box. A record of all challenges and resulting proceedings  
5 shall be kept in substantially the same manner as provided in section

11 shall hear the grounds for the challenge and shall decide what disposition

30 submit, brief statements regarding the challenge. The board may decline  
31 to permit comments, either in person or in writing, by anyone other than  
32 the voter, the challenger and the party representatives. The burden of  
33 proof is on the challenger to show why the voter should not be permitted  
34 to vote. The fact that the voter fails to appear shall not be deemed to  
35 be an admission of the validity of the challenge. The early election  
36 board or other officer in charge of early ballot processing is not  
37 required to provide the notices described in this subsection if the

40 will be summarily rejected at the meeting of the board. Except for  
41 election contests pursuant to section 16-672, the board's decision is  
42 final and may not be appealed.

2 elector has voted.

3 G. If the vote is not allowed, the affidavit envelope containing  
4 the early ballot shall not be opened and the board shall mark across the  
5 face of such envelope the grounds for rejection. The affidavit envelope  
6 and its contents shall then be deposited with the opened affidavit  
7 envelopes and shall be preserved with official returns. If the voter does  
8 not enter an appearance, the board shall send the voter a notice stating  
9 whether the early ballot was disallowed and, if disallowed, providing the  
10 grounds for the determination. The notice shall be mailed by first class  
11 mail to the voter's mailing address as shown on the registration rolls  
12 within three days after the board's determination.

13 H. Party representatives and alternates may be appointed as  
14 provided in subsection C of this section to be present and to challenge  
15 the verification of questioned ballots pursuant to section 16-584 on any
